

Create and maintain a spending plan, Increase your savings and credit score!

PATRINA DIXON

“The It’s My Money Lady” CFEI

Patrina Dixon is a Certified Finance Coach, International Speaker, Author, Blogger and Podcaster. She enthusiastically helps individuals ages 25-45 to budget, save, and use credit responsibly; and if need be, restore their credit. She empowers them through a 1:1 session, and in group settings. She has an authentic way of engaging while she teaches. She loves ensuring teenagers understand the importance of saving, budgeting, and credit.

"Many of our young people are spending and borrowing without knowing that interest builds up, or that credit cards aren't free money. It's my mission to change that."
